Carnarvon Golf Club

ROUND 20

It rained all night, and still raining, sorry pissing down on the way to the course, with only our "fair weather" player Craig Tomison giving George Liu, the early morning call of "I'm staying in bed". Laurie McMartin came to the course but with it lightly drizzling decided it was better to remain dry and pulled the plug for health reasons

21 players hit off with 5 girls playing, not necessarily enjoying the conditions but playing with the course playing conditions reasonable with the greens still lighting fast, only the bunkers starting to get damp under foot. At the end Keith described one bunker late in the round as trying to hit out of wet cement. Greg Parsell had his fair share, maybe more than his share of bunker play today.

We welcomed Janet Rowlings into the playing group today and look forward to seeing her face again. Janet is another of the Bardwell Valley Dame Edna's, who played Australia Day and started off by giving cheek to George, today.

A bit of scandal out on the course today, where Joanne Kinkead asked Gary Pleasance to help take off her pants, not being discreet and seek refuge in the bushes but in the middle fairway. An explanation was sort by their playing group of Sid Pelcz and Janet Rowlings but she said she was requiring help removing her weather pants only !!!!, And that's the story they both are sticking to.

The groups in carts stayed dry today with the weather being reasonably pleasant for golf with the drizzle being warded off with umbrellas, with maybe umbrellas more suited that jackets to ward off the coolness in the mornings. We have been lucky that an umbrella this year would have had spiders growing in the folds, with our prolonged dry spells

The Stableford winners today were 1<sup>st</sup> Noa Palu 35 pts, 2<sup>nd</sup> Sid Pelcz 31 pts in c/b over, 3<sup>rd</sup> Ron Williamson also 31 pts from, 4<sup>th</sup> Wendy Donelan 30 pts in c/b over, 5<sup>th</sup> Mal Tyler also 30pts.

Breakfast at Hungry Jack's at Haywards Bay on the way to Jamberoo next game has caused more trouble than a cartel in Columba with the type of coffee with bacon and egg breakfast, and good luck to George sorting out the orders, I even suggested he take a thermos with no options except hot or do you want sugar as well.
